

7501

Specifications

Tank: 9 gallon capacity. FDA high-density polyethylene material.

Portability: Has single top handle for easy carrying when empty and can be handled easily by one person.

Features: Threaded cap and wide fill opening for easy filling, inspection and cleaning. In stand-by position, eyewash heads are protected in a recessed area from airborne debris. No loose parts to get lost or damaged.

Color: Highly visible yellow arm distinguishes itself from the safety green tank allowing it to be located and activated.

Flashing time: Over 15 minutes of full flow pattern at not less than 0.4 gpm (1.5 liters per minute)

Mounting: Can be wall mounted (bracket included) or shelf mounted.

Eyewash preservatives: One bottle of eyewash preservatives additive 8 oz (236 ml) included to permit storage of water for several months.
